Mr. B. A. Means,
% Ga. State Sanitarium,
Milledgeville, Ga.

Dear Uncle Ben:

I received your two last letters and was glad to hear from you, but I did not write you beaause I am now in Atlanta every day in the week except Saturday, but the legislature will adjourn in two more weeks and then I will be at home. I expect to do my best to get over to see you within three or four weeks. Do your best to keep your health. Obey the warden of your department and by being nice and kind and obedient to the wardens they will always favor you.

I have been thinking for about a year that I would bring suit and recover your plantation over at Meansville that you sold just before you went to the sanitarium. Would you like for me to do this, as the people beat you out of it and got it for about half of what it was worth and I think they should be made to pay you the difference. Let me hear from you.

Sincerely,

J. C. COLLIER
